Tingathe Project in Nayuchi A Transformative Success

“We have witnessed first-hand the incredible work that can be done when faith meets action. The lives touched by this project are a powerful reminder of our calling.”
- Kathu Madula (Tingathe project leader)

We are thrilled to share the remarkable success of the Tingathe project, our bi-annual mission, recently conducted in Nayuchi, Machinga. With the unwavering support of ministry partners, staff, interns, volunteers, and disciples, the project reached an astounding 2,154 souls. 538 souls committed their lives to Christ. This monumental achievement is a testament to the power and love of God to draw sinners to Himself.

The Tingathe project aimed not only to preach the Gospel but also to equip the local community with practical skills for sustainable living. Over the course of the project, participants received training in agriculture, entrepreneurship, water sanitation and hygiene. Empowering them to make lasting changes in their lives and their communities.

- (A) Evangelism and discipleship training
- (B) Agriculture training
- (C) Entrepreneurship training
- (D) Hygiene training

"The impact we witnessed in Nayuchi was nothing short of miraculous. The community's openness to the Gospel and their eagerness to learn new skills has laid a strong foundation for continued transformation," Emmanuel Magwaya noted. He is a campus student, who was one of our project participants.

The success of the Tingathe project in Nayuchi has strengthened our resolve to continue our mission of transforming lives and communities for Christ. The overwhelming response has opened doors for further outreach, and we are excited about the potential future projects in similar regions.

- (A) One-on-one evangelism
- (B) Jesus film show
- (C) Sports evangelism
- (D) Staff and volunteers for Tingathe project

As we reflect on this success, we extend our deepest gratitude to our ministry partners whose generous support made this possible.
